The qualifications and requirements to be an "Associate Member" of Azusa StreetRiders are identical to the qualifications and requirements to be a "Member," with the single exception that an "Associate Member" does not pay dues. There will be no outward difference between the ASR insignia (backpatch) worn by a "Member" and an "Associate Member."

To be an "Associate Member" of Azusa StreetRiders, one must agree with the Basic Doctrinal Statement, and sign a statement stating such. "Associate Members" cannot hold national or local elected or appointed office, nor can they vote in elections for officers of ASR. Associate membership ceases when the dues-paying spouse ceases to pay dues.

Azusa StreetRiders is a motorcycle *ministry*, not a riding "club." We wear our backpatch or "colors," emblazoned with not only "Azusa StreetRiders," but also "Acts 2:38" This evidence of our basic doctrine frequently generates questions-thereby opening doors. For this reason, Azusa StreetRiders *must* be faithful, supportive members of their local church and must be submissive to their pastor. As such, in order to be a member, one must have the approval of his/her pastor before membership will be granted. Your pastor's signature is required on this membership form {see next page}.

Associate Membership Application (continued)

Azusa StreetRiders Associate Membership Applicant, please carefully and prayerfully read the following:

Azusa StreetRiders - Basic Doctrinal Statement

We believe in One God¹, who made Himself flesh² through the overshadowing of His Holy Spirit on a virgin.³ We believe that Jesus Christ was crucified for the sins of the whole world.⁴ We believe in the salvation message given in Acts 2:38—repentance, water baptism in the name of Jesus Christ, and receiving the gift of the Holy Ghost with the evidence of speaking in other tongues.⁵ We believe that we are to be holy in our behavior, because He is holy.⁶ We believe that we have a great commission from Jesus Christ to go into all the world to witness, teach, and love others into the body of Christ (the church). We want as many people to go to Heaven as our Lord calls.⁷ We believe in the assembling of ourselves together regularly in our local church⁸ and in being obedient to those who have rule over us (our pastors).⁹

1. Deuteronomy 6:4;

2. John 1:14;

3. Matthew 1:23;

4. I John 2:2;

6. Leviticus 11:44;

7. Matthew 28:14;

8. Hebrews 10:25;

9. Hebrews 13:17

City/State Backpatch Disclaimer and Indemnify and Hold Harmless Agreement

Due to the possibility of issues that may arise from a member of the Azusa StreetRiders International Motorcycle Ministry, hereinafter referred to as "ASR" in this document, this "Indemnify and Hold Harmless" agreement must be signed by any member who wishes to have his city and state displayed on the lower ribbon of their ASR backpatch.

The potential does exist for the Confederation of Clubs (COC) or a motorcycle club (MC) / riding club (RC) having an issue with a backpatch color or design, however as an actual motorcycle *ministry*, ASR does not fall under the rules in place by the COC, MC's or RC's. The COC is not an international organization and each state or region has their own regulation within their region. This allows for different opinions as to how each COC governs (or has previously governed) in that particular region. The addition of city and state on our backpatch can be viewed as a statement of territory, even though we do not have a bottom rocker, but rather a ribbon, on the bottom of our patch. ASR is a motorcycle ministry, or MM, and should not be held to any standard or rule in place for either a club or support club. We do not wear a three-piece backpatch, nor is the ribbon on the bottom of our patch considered to be a bottom rocker.

As with any situation that can arise that could be confrontational, ASR recommends that if you encounter a potential problem with either an RC/MC or the COC, apologize and remove your cut to diffuse the situation and then assess whether or not to change to a "HEAVENBOUND" ribbon at that time.

Along with our backpatch, any patch produced or displayed by a member of the ASR should be the result of careful consideration as to the color and design in regard to 1% clubs. We should never have a patch or color arrangement that could be mistaken for another group or club. This is why the only patches that have ASR or Azusa StreetRiders on them require an approval from the board before printing or distribution.

I, (member/applicant name) _____, agree to protect, defend, indemnify, save, and hold harmless the Azusa StreetRiders International, its officers, agents, servants, and employees, including volunteers, from and against any and all claims, demands, expense, and liability arising out of injury or death to any person, or the damage, loss, or destruction of any property which may occur or in any way grow out of any act or omission by me, and any and all costs, expenses, and/or attorney fees, investigative costs, and any and all expenses incurred by me as a result of any claims, demands, and/or causes of actions arising out of my action in connection with my displaying of my city and state on the ribbon of the ASR backpatch.

The ASR has members and chapters that have great working relationships with many 1% MCs, and the COC in different regions, around the US. To receive respect, we must give respect. The motorcycle community is our first and most valued missionary field, and our relationships must be nourished and guarded for the ASR to be successful in reaching the unsaved of that community. If you encounter a problem with our backpatch in any way, please contact the ASR board as quickly as possible to discuss the issue and solutions.
